Please join us for our annual Christmas Lighting of the Lights Celebration at the Lewisburg Community Park and enjoy over a mile of lights and displays throughout our wonderful park system.

Grab your family, friends and neighbors and help us celebrate the joy of Christmas. We're sure the little ones will enjoy meeting Mr. and Mrs. Claus, listening to the "Grinch Who Stole Christmas" story while none other than the GRINCH himself mingling midst the children, and later watch the park come alive with lights galore. Even more, a SPECIAL addition to this year's entertainment will be a Jolly & Bright FIREWORKS Pyrotechnic Show after the lights are lit. During the festivities, take a stroll along the walking path to enjoy the Christmas lights while listening to live music played by our local Methodist Church Band throughout the evening, and if you get hungry or cold, grab a hot dog and cookie, and a cup of hot chocolate to warm you up. The night will be filled full of holiday music, joy and the Christmas Spirit!

Please remember to dress warm and cozy for the evening!

If you have any questions about this celebration, please contact a member of the TCN Community Association. We hope to share this special evening with you all!

MERRY CHRISTMAS
